

SRI Seeks Archaeology's Best

April 3, 2007

In a continuing effort to hire the most talented archaeologists available, SRI will be recruiting at the Society for American Archaeology's (SAA's) annual meeting in Austin, Texas on April 25-27, 2007, at the Austin Convention Center. SRI can be found at Booth 408. SRI's clients expect the company to maintain a high level of quality, and the company's tradition of hiring distinguished scholars and junior archaeologists with the potential for excellence and a vision for success has enabled SRI to continue to exceed client expectations. At the SAA's annual meeting, SRI and talented archaeologists come together, and SRI will be seeking exceptional candidates among those in attendance.
